Dear Sir. and/or Madam,

As a participant in the Negotiation Course offered by MarketWatch and led by Claus Hylstofte Blomsterberg, I am pleased to offer this Letter of Recommendation for the course in general and for Mr. Hylstofte in particular.

In addition to enjoying Mr. Hylstofte's personal skill, experience and flair for presenting and teaching the course, I benefited from it in a way that is applicable to me personally in my everyday work and in my personal life. The materials are extensive and cover the subject matter well.

In addition, the cases and examples used as exercises for the course and knowledge draw on Mr. Hylstofte's personal experience and are therefore good to draw inferences for use in real life situations.

The course allowed me to identify and develop negotiation techniques and strategies, and the use of industry and company specific examples made the negotiation exercises specifically meaningful and valuable to myself and my work.

For these reasons I feel the course is worthwhile and worthy of recommendation.

Sincerely,

A handwritten signature in black ink, appearing to read "Derek Stilwell", written over a horizontal line.
